

RESOLUTION

WHEREAS, at its regularly scheduled meeting on September 21, 2005, the West Windsor Township Planning Board reviewed a Concept Plan for County Route 571 in the Princeton Junction area, such Concept Plan being set forth in a memorandum from Gary W. Davies (Urbitran Associates) to West Windsor Township dated August 15, 2005 and supplemented by a September 12, 2005 memorandum from James F. Parvesse, P.E. to the Planning Board; and

WHEREAS, the Planning Board at such hearing determined that the Concept Plan furthered the public interest and was acceptable and voted to endorse it with the following two amendments:

- The design for the bicycle lanes on County Route 571 at the intersection of Clarksville Road should be addressed by staff in conjunction with the West Windsor-Plainsboro Regional Board of Education's internal circulation plan for the West Windsor-Plainsboro South High School site.
- A traffic signal should be installed at the intersection of County Route 571 and Sherbrooke Drive if feasible, and the Township should initiate studies to demonstrate that this could be done in a manner that appropriately coordinates with the traffic signal at the County Route 571-Alexander Road intersection; and

WHEREAS, the Concept Plan was thereafter forwarded to Council for review; and

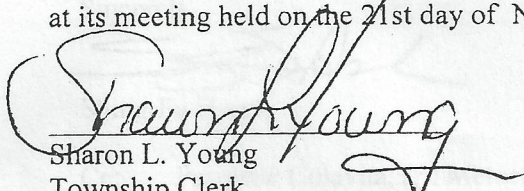

WHEREAS, at its regularly scheduled meeting on November 21, 2005, the Council reviewed such Concept Plan, and the public was given an opportunity to be heard; and

WHEREAS, the Council also determines that the Concept Plan furthers the public interest and is acceptable, with the two amendments endorsed by the Board.

NOW, THEREFORE, BE IT RESOLVED, that the Township Council of the Township of West Windsor endorses the County Route 571 Princeton Junction Concept Plan with the two amendments set forth above.
