Re: Support for the Proposed Princeton Junction Pocket Park

Dear Mayor Hsueh,

The Trustees of the West Windsor Bicycle and Pedestrian Alliance (WWBPA) wish to express our support for the proposed Princeton Junction Pocket Park on Alexander Rd between CR 571 and Harris Rd. We believe the park will become a great place to bring the residents of West Windsor together, by providing a place to meet and enjoy our continually improving downtown area.

Of course we would like the park to be as bicycle and pedestrian friendly as possible. Therefore we would be delighted to donate bike racks and suggest that the township add a sidewalk connection between Harris Road and the park, on the east side of Alexander Road. This sidewalk will be particularly useful for families, and for High School South students who walk to the park.

We look forward to continue working with you to make West Windsor a more bicycle and pedestrian friendly community.

counsel

Respectfully Submitted,
