Re: West Windsor Township's Grant Application for Sidewalks on County
Route 571, Princeton Hightstown Road

The West Windsor Bicycle and Pedestrian Alliance is an all-volunteer, not-for-profit, private charitable 501(c)3 organization dedicated to building a bicycle and pedestrian friendly community in West Windsor and neighboring municipalities.

We support West Windsor Township's grant application for sidewalks on County Route 571, Princeton Hightstown Road, in the redevelopment area envisioned to "achieve a desirable mix of pedestrian-friendly, village scale development." In addition to use by residents to access shopping areas and restaurants, it is heavily used by commuters to the nearby Princeton Junction Train Station at West Windsor – e.g. from 5-8pm on Wednesday, September 11, 2013 we counted 81 pedestrians at the Cranbury/Wallace intersection of CR571.

Respectfully submitted,

Jerry Foster
