Dear County Executive Hughes:

I am writing on behalf of a group of my constituents, the West Windsor Bicycle and Pedestrian Alliance (WWBPA). They have been forwarding my office with their concerns regarding the proposed Rt. 571 design recommendations.

I would like to forward you a copy of their as well as correspondence from Councilwoman Linda Greeves of West Windsor. Councilwoman Geevers is recommending that the engineers and consultants who made the design take the WWBPA's suggestions into consideration and respond to them.

I would appreciate you looking into the concerns of the WWBPA and Councilwoman Geevers. Please keep my office informed regarding this matter. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Bill Baroni
