

Curb cuts at 571 by entrance/exit to HS South parking lot (mentioned twice)

Sidewalks in front of the four houses along Route 571 across from Community Park that have none

Consider how people will get to and from the redevelopment area, not just move around within it

Share the road signs on Washington Road between Route 1 and Faculty Road in Princeton.

Create a signposted route from the Edinburg Road entrance to Mercer County Park to Mercer County Community College

North Post Road must get sidewalks to service train station, municipal building, library, and schools

Capitalize on sewer right of way (North Post to Clarksville, North Post to Penn Lyle, right of way on end of Lorrie Lane has been taken over by homeowners -- is that allowed? Are they really right of ways?)

Sidewalks needed to and from Arts Council (Princeton Junction firehouse) to/from Wallace parking lot

Better bike/pedestrian access to Princeton on Alexander and Washington roads

Bike lanes on Clarksville Road

Bike/ped bridge over Route 1

Expand the Trolley Line Trail, both north and south

Capital to Coast trailblazers

High Point to Cape May state route trailblazers

Penn Lyle Road to HS South needs safety/bike lanes

Bike/ped accessibility between West Windsor and Plainsboro, *Cranbury Road

Helmets: laws, fitting. Crazed by kids with bad helmets in the neighborhood. Maybe hold a "fitting" fundraiser, 25 cents?

Need for education in schools about bike safety and bike rights. This includes driver's education classes. Teach the importance to paying attention to bicyclists.

Incorporate bike and pedestrian curriculum into driver's education course

Police enforcement of crosswalk laws

Make it no right on red at the intersection of Route 571 and Clarksville Road (where school kids cross, and drivers don't pay attention to pedestrians)

Education and advocacy with West Windsor Police for a reasonable amount of enforcement (now non-existent)

Approach West Windsor Little League for dual-sponsored promotion involving biking (e.g. each player who rides a bike to Ward Field on a certain day gets a free drink, split cost with West Windsor Little League)

Improve security of bikes left at train station

Shrubs and leaves piled up in safety lanes

Limit busing for students who are within biking/walking distance (is that up to the school board?)

Encourage less parent drop-off and student driving to school
