Re: Clarksville and North Post Roads Re-striping

The West Windsor Bicycle and Pedestrian Alliance is an all-volunteer, not-for-profit, private charitable 501(c)3 organization dedicated to building a bicycle and pedestrian friendly community in West Windsor and neighboring municipalities.

We're very pleased with the new striping at the intersection of Clarksville and North Post roads in West Windsor, and extend our deepest thanks for your responsiveness and cooperation in implementing a design that we hope will calm traffic and eliminate future car / pedestrian crashes.

As many are aware, this intersection, which is literally right out the door of the West Windsor Municipal Center, has seen 2 car / pedestrian crashes in about a year, with serious injuries to the pedestrians. We look forward to continued implementations of Complete Streets designs that will make West Windsor and Mercer County among the most desirable places to live and work in the nation.

Thank You Again,

Jerry Foster
President
